### Supporting cycling in Worthing

You are invited to come to the next Cycle Forum which is on :

**WEDNESDAY 22 SEPTEMBER 2010**

at :

**THE GORDON ROOM, TOWN HALL, WORTHING**

(entrance in Stoke Abbot Road)

**starting at : 7.30pm**

This is an informal meeting where everyone has a chance to give their views and ask questions about all matters relating to cycling in the Worthing area and we would value your input.

In particular we will be discussing changes needed at junctions where there are two car lanes but no cycle provision, car parking on cycle "lanes" and possible alternate uses for the old tennis courts adjacent to Beach House Gardens.
